

Social Universe Terms of Service

Last updated: 07-08-2024

1. Introduction

By adding and using the Social Universe Bot on a Discord server, you agree to abide by these Terms.

2. Using the Bot

The Bot is a tool that provides various functionalities within the Discord servers. Limited, moderation, entertainment, and automated services Custom.

2.1 Bot Access

- The Bot is only available to users with a valid Discord account.
- Server administrators are responsible for adding and configuring the Bot on their servers.

2.2 User Behavior

- Users must respect Discord (<https://discord.com/terms>) policies while using the Bot.
- You may not use the Bot for any purpose that is illegal, abusive, or to infringe the rights of others.

3. Features and Limitations

3.1 Availability

- We reserve the right to modify, suspend, or discontinue the Bot, its features, or any part of the services at any time, without notice.

3.2 Errors and Technical Problems

- Although we make reasonable efforts to keep the Bot running, we cannot guarantee that it will be error-free or uninterrupted. We are not responsible for any damage or loss caused by technical failures or misuse of the Bot.

4. Privacy & Data

4.1 Collection of Information

- When using the Social Universe Bot, we may collect certain data, as detailed in our [Privacy Policy]. This can include your user ID, messages for executing commands, and data from the server where the bot is active.

4.2 Use of Information

- The information collected will be used only to operate and improve the service provided by the Bot.

5. Responsibility

5.1 Limitation of Liability

- To the extent permitted by applicable law, we will not be liable for any indirect, incidental, special, or consequential damages due to the inability and/or inability to use the Bot.

6. Modifications to the Terms

Social Universe reserves the right to update or modify this privacy policy at any time or in the long term.

Your continued use of the Bot after changes constitutes acceptance of the updated Terms.
